YEAR! WISTAR'S BALSAMOF WILD CHERRY, the great American Remedy for Lung complaints and all affections of the Respiratory WE do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtue of this medicine and to hold out no hope to suffering humanily which facts will not warrant. We ask the attention of the candid to a few considerations. Nature in every part of her works, has left indelible marks of adaptation and design. The constitution of the animals and vegetables of the torrid is such that they could not endure the cold of the trigid zone and vice verse. In regard to disease and its cure, the adaptation of remedies is not less striking. The Moss of Iceland and the Pinc and Wild Cherry are justly celebrated for the cure of all diseases of the Lungs and Liver, which are so fearfully prevalent in all northern latitudes. From a combination of Chemica Extracts produced from this 'Moss,' and these 'Trees,' Dr. Wistar's Balsam of Wild Cherry is chiefly formed. From the Harrison (Ind.) Gazette, of Feb. 1, 184h

The incredulous are invited to read the following note from the Rev.

WILLIAM COLDRON. SPRINGPIRED, Kv., May 14,1 845. Mesara, Sanford & Park: I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr.Wistar's Baisem of Wild Cherry. In the year leste, I was taken with an indammation of the bowels, which I labored under for 6 weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit; and thus I wearid along until the winter of 1844, when I heard of Wistar's Balsam of Wild Cherry. My friends persunded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry The effect was truly astonishing. After five years of affliction, pain, and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most re-pectable physicians had proved unavailing, I was soon re-tored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry. I am now enjoying good health, and such is my altered appearance, that I am no longer known when I meet my former acquountances. I have gained rapidly in weight, and my flesh is firm and solid. I can now eat is much as any person, and my feed seems to agree with me. have eaten more during the last six months than I had eaten in five years before. Considering my case almost a miracle I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where relief may be had,) to make this statement public. May the blessings of God rest upon the aprietors of so valuable a medicine as Wiscar's Balsam of Wild Yours respectfully,
